CJ-7 Base

We put our first CJ-5 in Jeep Country back in 1954 and altered the course of off-road driving forever. 28 years later, CJ, "the original", remains a breed apart, as special as those who drive it.

The classic design is basically unchanged but CJ just keeps getting better, tougher, more efficient* and versatile. Also more beautiful, as the stunning new Jeep CJ-7 Limited will testify.

The base CJ is a pretty spectacular vehicle, as different from other 4WDs in appearance and function as night and day. Among the many standards are: roll bar, folding windshield, fuel tank and transfer case skid plates, new low-drag front disc brakes, solid state ignition, steering damper and front sway bar, wheelip extensions (CJ-7) 151 CID 4-cyl engine and a 4-speed manual transmission (new 5-speed, opt.)

Because CJ drivers are a breed apart, Jeep offers a variety of appearance and equipment option packages to help make CJs as personal and distinctive as their owners.

CJ-5, CJ-7 Renegade

Boldest, and most familiar of all CJ appearance packages. Includes base CJ equipment, plus: Special "Renegade" lettering and exterior graphics in gradations of yellow, blue or red depending on exterior color selection • 15" x 7" white styled steel wheels • L78 x 15" Goodyear Tracker P/G OWL tires • High back forward pivoting front bucket seats and rear bench seat trimmed in denim-look vinyl • Wheelip extensions (CJ-5) • Decor Group • Convenience Group

CJ-5, CJ-7 Laredo

Brilliant distinction for CJ-5 with soft-top and CJ-7 with soft or hard-top. Includes all of the base CJ equipment plus: Special "Laredo" hood lettering and and stripe package in combinations of Silver and Gray or Nutmeg and Bronze • Pin stripes (hardtop) • Chrome plated 15" x 7" styled steel wheels • Chrome plated hub covers • P235/75R15 Wrangler OWL radial tires • Additional chrome trim including grille panel (w/pin stripe) and front bumper, footman loops • Tinted quarter windows (CJ-7 hardtop) • Special

high back forward pivoting bucket seats and rear bench seat in Cara vinyl • Leather-wrapped steering wheel & passenger assist bar • Indoor/outdoor carpeting • Special console and door trim panels • "Laredo" nameplate • Convenience Group • Tachometer & clock • And more

New CJ-7 Limited

Newest and most refined CJ-7 trim package will set well with that special breed. Limited package includes all base CJ-7 equipment plus: Power steering and brakes • AM/FM radio (2 speakers) • Monochromatic paint theme with color keyed hardtop and wheelip extensions. • Special body side striping, grille panel stripe, exterior "Limited" nameplates • Chrome bumper and bumperettes • Body side steps • Black painted windshield and window frames • Special LH & RH exterior mirrors • 15" x 7" color-keyed painted steel spoke wheels w/bright trim rings • P235/75R15 Goodyear Arriva all-weather radials • Special improved ride pkg. • Decor & Convenience Groups • Special high back bucket seats and rear bench seat, carpeted floors; wheelhousing; tailgate, trim panels • Color-keyed padded roll bar • Special door trim • Special headlining • Dome and courtesy lights • Leather-wrapped steering wheel and passenger assist handle • Much more

1982 EPA Mileage Estimates

28 Hwy. Est. MPG, (23) EPA Est. MPG *

*Use these figures for comparison. Your results may differ due to driving speed, weather or trip length. Actual highway mileage will be less. 1982 EPA estimates for California are 28 HWY EST MPG, (21) EPA EST MPG. Mileage figures are for vehicles equipped with 151 CID 4-cylinder engine and optional 5-speed transmission.

Vehicles illustrated in this brochure may vary slightly from actual production models. Consult your Jeep Dealer for recent product changes. This folder does not constitute an offer or commitment to sell. In order that product improvements may be made at any time, specifications and other data are subject to change without notice. Jeep vehicles incorporate thousands of different components produced by Jeep Corporation, affiliated companies and various independent suppliers. From time to time during the manufacturing process, it may be necessary to produce Jeep vehicles with different components or differently sourced components than initially scheduled. All components must meet the standards of Jeep Corporation and will provide the performance expected from Jeep vehicles. Jeep vehicles meet or exceed all applicable Federal Motor Vehicle Safety Standards at time of manufacture. Some of the Jeep vehicles shown and described in this brochure have optional equipment.
