There's a
feeling you
can get.
Only in a Jeep.
Jeep CJ

JEEP CJ

Go ahead. Create your own history. You've waited long enough. The time to own a Jeep® CJ is now! Travel to the untraveled corners you've dreamed of but never experienced.

The road is behind you. Ahead, the terrain is rocky and snow covered. Jeep CJ doesn't care. Neither should you.

Whether your choice is CJ, Renegade or Laredo you'll know that you've got the best there is. It's that same Jeep confidence that's put over four million Jeep vehicles on, and off, roads throughout the world for over 45 years.

Go ahead. You've waited long enough. There's only one way to discover this kind of fun and excitement. Only in a Jeep.

JEEP CJ

You've seen the familiar grille more times than can be counted. Its look and lines identify it as the "go-anywhere, do anything" machine with an historic ancestry undeniably Jeep. Jeep® CJ. A one of a kind. Take it and go.

Standard CJ features include: a 2.5 litre, 4-cylinder engine, 4-speed manual transmission, 2-speed transfer case, electronic ignition, high-back bucket seats, instrument panel gauges for oil, voltmeter, temperature and fuel, wheelip extensions and more.

CJ options offer added comfort and convenience: air conditioning, automatic transmission, AM/FM cassette stereo. There's also the handy fold and tumble rear seat, which makes space conversion fast and simple. Ten paint colors, including optional clearcoat metallics, are available for CJ models. Optional soft tops come in black, white, garnet or honey. Soft tops are also available with steel doors.

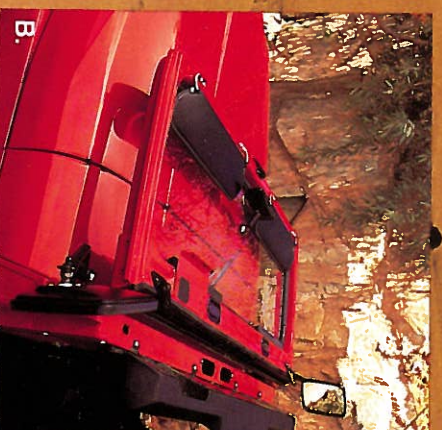

Hard tops with steel doors are offered in black, white and honey. (Check page 8 for a complete list of standard features and options.)

CJ also keeps an eye on economy delivering 19 EPA CITY EST MPG, 20 HWY EST* with the standard 4-cylinder engine and 4-speed transmission. Equipped with the standard 15-gallon fuel tank, this gives CJ a potential range of 300 miles.

The CJ story is not complete without mentioning advanced Jeep quality. Quality that goes deep with exacting attention to rust and corrosion resistance, ride and handling, and the fulfillment of the promise of legendary Jeep performance.

*Use these figures for comparison. Your results may differ. Figures based on standard 4-speed transmission.

- A. CJ Instrument panel
- B. Fold-down windshield
- C. Fold and tumble rear seat for extra cargo space

JEEP CJ RENEGADE AND LAREDO

A step beyond. With sporty exterior graphics that label them distinct, their owners, unique. Attack a sand trail or trace a dry riverbed to an untouchad retreat. Conquer the top of a snow-capped hill. To these rugged CJs, the wilderness is home. With every out-of-the-way destination a reachable goal... Only in a Jeep.

CJ Renegade

ACCESSORIES

In addition to a complete selection of popular optional equipment, your Jeep dealer also offers a full range of factory approved accessories and genuine Jeep replacement parts.

They're designed and engineered to demand-ing factory specifications to assure they will fit correctly, function properly and give long-lasting satisfaction.

Always insist on genuine Jeep parts and accessories from the Jeep Store® at your authorized dealer.

Of course, off-road these unique design characteristics give Jeep CJ advantages in unmatched performance that will allow you to go places you'd never dream of going in a conventional car. Jeep Corporation remains committed to the promotion of off-roading as a safe, positive, responsible recreational pursuit. And, as an advisory member of the United Four Wheel Drive Associations, we fully support organized four-wheeling.

TRAILER TOWING INFORMATION

Maximum loaded trailer weight	2000 lbs.
Tongue load limit	200 lbs.
Required Equipment:	Extra-duty Suspension Package
Suspension	Frame-mounted drawbar
Hitch	
Recommended Equipment:	4.2 litre six cylinder
Engine	Power
Steering	

These charts are meant to serve as a quick-and-easy reference guide on how to properly equip your Jeep vehicle for all types of towing. For specific details, however, discuss your plans with your Jeep dealer. He will help you select the right equipment to meet your specifications.

CAUTION: Never overload your vehicle beyond these design capacities. Jeep Corporation cannot be responsible for brake performance if the Jeep vehicle and trailer hydraulic brake systems are in any way connected. A separate brake system for all trailers weighing over 1000 pounds gross is recommended. (State laws should be checked for trailer brake requirements.)

SERVICE SECURITY PLAN

The only service contract backed by American Motors Sales Corporation, offers long-term repair expense protection to buyers of new Jeep vehicles.

A Service Security Plan will provide extended repair expense protection on major components, car rental assistance,

trip interruption protection, nationwide service and much more.

Four Service Security Plans are available for your new Jeep. From a 3-year, 36,000-mile standard plan, to a 5-year, 50,000-mile deluxe plan.

These plans are easy to purchase. Ask your dealer for details.

1986 JEEP VEHICLE WARRANTIES AND INFORMATION

All 1986 Jeep vehicles are covered by the 1986 New Jeep Vehicle Limited Warranty that provides for 12 months, 12,000 miles of coverage on all components except tires, which are covered under a separate tire manufacturer's warranty.

Upon expiration of the new vehicle warranty, a number of specified engine, transmission, transfer case and front- or rear-wheel drive components are covered against defects for an additional 12 months, 12,000 miles. This 1986 Jeep Extended Powertrain Protection Limited Warranty requires the owner to pay the first \$100 per repair visit for the repair or replacement of any covered items.

For additional information on warranty coverage and exclusions, check with your local Jeep dealer.

See the owner's manual for important information regarding proper operation of this vehicle.

Vehicles illustrated in this brochure may vary slightly from actual production models. Consult your Jeep dealer for recent changes. This folder does not constitute an offer or commitment to sell. In order that product improvements may be made at any time, specifications and other data are subject to change without notice. Jeep vehicles incorporate thousands of different

Like other utility vehicles, this vehicle handles and maneuvers differently from many passenger cars. In order that this vehicle be driven safely and correctly, please read the driving guidelines in the owner's manual. Wear seat belts at all times—don't drink and drive.

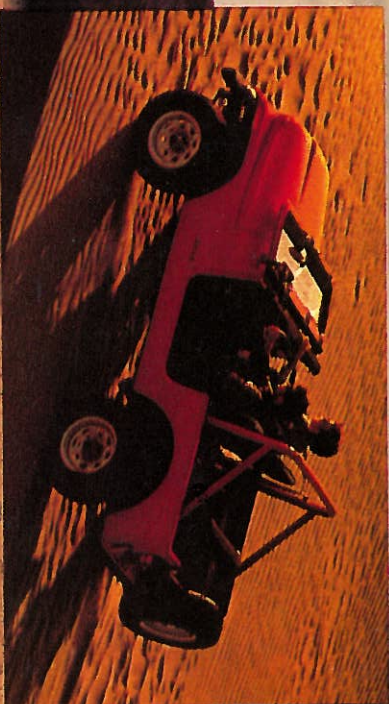

ferent components produced by Jeep Corporation, affiliated companies and various independent suppliers. From time to time during the manufacturing process, it may be necessary to produce Jeep vehicles with different components or differently sourced components than initially scheduled. All components must meet the standards of Jeep Corporation and will provide the performance expected from Jeep vehicles. Jeep vehicles meet or exceed all applicable Federal Motor Vehicle Safety Standards at the time of manufacture. Some of the Jeep vehicles shown and described in this brochure have optional equipment. Certain equipment items and features may not be available for all models.

This catalog contains information that is correct at time of printing, however, Jeep Corporation reserves the right to discontinue or change specifications, models, equipment or prices at any time without incurring obligation.
