The Jeeper's Jamboree.

It's 22 miles of the toughest 4WD terrain imaginable. Stretching up through the Sierra Nevadas from Wentworth Springs to Lake Tahoe.

It's almost 1,000 spirited men and women coming together to challenge their vehicles and themselves... climbing hills, fording streams, taking a little punishment, and reveling in the sheer beauty of the landscape.

It's the setting California sun, steaks and beers and bonfires, and days-end stories of negotiating the treacherous obstacles that punctuate the trail.

It's the ultimate event in four-wheel drive.

The New CJ-7 Jamboree: For Guys Who Take Their Fun Seriously.

Now, to commemorate the 30th Jamboree anniversary, Jeep has created the ultimate off-road vehicle.

The CJ-7 Jamboree Commemorative Edition.

Tough, rugged and durable, the Jamboree is built to take on whatever the off-road can muster.

It's an instant collector's item, with only 2,500 to be produced.

And it's loaded for bear.

Topaz Gold exterior. Striking "Jamboree" graphics. Chrome styled wheels and bumpers. Carpeting. AM/FM stereo CB radio. Overhead driving lamps. Electric winch. Fire extinguisher. Grille guard. Brush guard. The list goes on and on.

Even a numbered identification plaque on the instrument panel and a certificate of authenticity.

The Jamboree Sweepstakes: As Easy As Seeing Your Participating Jeep Dealer.
